

A Grade Report
Karoonda vs Pinnaroo 24/5/08

Last week the A Grade played an exceptionally good game coming away with a 14 goal win. The team worked well across the whole court, and received fantastic support from spectators on the sidelines. Our goalie combination of Angel Budderick and Sophie Knight was hard to beat, with relatively good accuracy and excellent feeding from Kate Arbon and Dannii Boughen. Defensively the pressure was on, creating turnovers in many parts of the game. Best on Ground went to Sophie Knight, who played an excellent game at Goal Attack. Special mentions also go to Kate Arbon, who in only her second game of A Grade has been outstanding, and Dionne Kerr who has taken on the role of Goal Defence phenomenally. Well done girls. Another great win!!!
