

C GRADE v Pinnaroo

The girls had their second win for the season, which was nice, especially after the disappointment of losing a close one against BDT the week before.

With a little more fitness and improved and consistent ball handling I can see they will have more wins.

Well done to Kirralee who 'had a go' at shooting goals. She certainly gave the ball plenty of air and even managed to get a few in as well! (Goal shooting is daunting when you are usually a defender)

We welcome Meagan Granger and Kellie Franklin to the C grade side and hope they enjoy their netball.

Congratulations to Jemma Pilgrim and Sam Boughen who are our co-captains for this season.
Coaches award - Sarah Boughen

Thanks to Tanya Pilgrim for scoring, Angel Budarick for timing and Dionie Kerr for umpiring
